

# Raccord Plast PVC-U Pressure Fittings

## High quality fittings enabling reliable and durable pressure pipeline systems

In stock and available nationwide, these premium, high-quality fittings have played a key role for over 20 years in supporting durable piping solutions for the commercial swimming pool market and our critical agricultural irrigation industry.

Available in sizes DN200 to DN375, these large bore products include Pressure Bushes, Couplings, Reducing Couplings, Elbows, Tees, & Stubs.

### Features

- Dimensionally compatible with PVC pressure pipe made to Australian Standard AS/NZS 1477 series 1 dimensions (as used in irrigation and commercial swimming pools)
- Socket Solvent Cement Joint or Bolted Flange Joint
- Typically available in DN200, DN225, DN250, DN300 & DN375.

### Raccord Plast Product Range

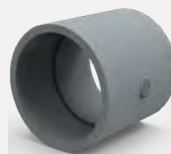

Bends

Elbows

Reducing Bushes

Couplers

Reducing Couplers

Caps

Tees

Reducing Tees

Stubs
