### Features & Benefits:

- **15m or 25m retractable hose reel.**
- **Incorporates 15m or 25m of 12mm reinforced garden hose with a 2m connection hose.** Easy tap connection and convenient hose reach.
- **Safe auto retract.** Retracting hose mechanism rewinds slowly and safely.
- **Reliable coiling.** Internal hose guide ensures smooth, even and complete coiling.
- **Hose 'Stop Anywhere' function.** Release the tension of the hose to activate the reliable 'stop anywhere' winding mechanism.
- **180 degree swivel wall bracket.** Reel swivels to follow hose direction and swivels to store against wall.
- **7/10 Kink rating.** Durable quality hose.
- **Multi-purpose 8 pattern spray gun with auto shut-off.** Quick and easy pattern selection for watering garden beds, pot plants and delicates/seedlings. Suitable for cleaning jobs.
- **12mm hose end fittings:** Uni Tap Adaptor: screw onto a ¾ inch or 1 inch tap, connector & water stop: connectors have a tight hose locking mechanism and water stop allows accessory change-over without getting wet or wasting water.
- **Made from UV stabilised plastic.** Suits harsh Australian outdoors.
- **3 Year Guarantee.**
